JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

who shall hold office until his successor is appointed and shall be the executive officer of said board. Said board may also appoint a sanitary engineer and inspector, who shall render such service as the board may require from time to time. The salary of the secretary and engineer and inspector shall be determined by said board, subject to the approval of the governor. Upon proper vouchers, approved by the president and treasurer, the auditor of accounts shall draw orders in payment of the salary and necessary expenses incurred in the discharge of their official duties of said secretary and engineer and inspector from any funds not otherwise appropriated, which payment shall not be computed as a part of the appropriation provided by section 6166 of the Public Statutes."

Communicable Diseases—Authority of Local Health Officers to Isolate Cases of.
(Act No. 217, Dec. 17, 1912.)

SECTION 1. Section 5440 of the Public Statutes, as amended by section 2 of No. 217 of the acts of 1910, is hereby amended so as to read as follows:

"SEC. 5440. The local health officer may require, under the rules and regulations of the State board of health, the isolation of persons and things infected with or exposed to contagious or infectious diseases and may, with the approval of the local board of health, provide suitable places for the reception of the same and, if necessary, furnish medical treatment and care for such sick persons at their expense if of sufficient ability to pay, otherwise at the expense of the town or city. Said health officer may prohibit and prevent intercourse and communication with or use of infected premises, places, or things, and require and provide means, at the expense of the town or city for which he acts, for the thorough purification, disinfection, and cleansing of the said infected places or things before free intercourse therewith or use thereof shall be allowed."

Prohibiting the Sale of Adulterated or Misbranded Articles of Food or Drugs. (Act No. 221, Dec. 19, 1912.)

SECTION 1. Section 5466 of the Public Statutes, as amended by section 1 of No. 159 of the acts of 1908, is hereby amended so as to read as follows:

"SEC. 5466. No person shall sell, offer, or expose for sale an adulterated or misbranded food, drug, or substance to be used for medicine, food, or drink for men or domestic animals, or any device or apparatus falsely and fraudulently represented to have medicinal or curative qualities."

Drugs—Misbranding of. (Act No. 222, Dec. 17, 1912.)

SECTION 1. Section 5473 of the Public Statutes, as amended by No. 160 of the acts of 1908, is hereby amended so as to read as follows:

"SEC. 5473. For the purpose of this chapter a drug shall be deemed to be misbranded—

- "(a) If it is an imitation of or offered for sale under the name of another article; or
- "(b) If the contents of the package as originally put up have been removed, in whole or in part, and other contents have been placed in such package; or
- "(c) If its package or label shall bear or contain any statement, design, or device regarding the curative or therapeutic effects of such article or any of the ingredients or substances contained therein which is false and fraudulent; or
- "(d) If the package fails to bear a statement on the label of the quantity or proportion of any alcohol, morphine, opium, cocaine, heroin, alpha or beta eucaine, chloroform, cannabis indica, chloral hydrate, or acetanilide, or any derivative or preparation of any such substances contained therein. Nothing in this paragraph (d) shall be construed to apply to physicians' prescriptions, or preparations recommended and prescribed in the United States Pharmacopœia or National Formulary."
